

PROGRAM

October 24

Room 1 9:00-12:00 Symposium 1

Transplantation Versus Local Therapy for Hepatocellular Carcinoma: Cultural and Medical Constraints on the Treatment

Chairpersons: **Takashi Kanematsu**, Department of Transplantation and Digestive Surgery, Nagasaki University
Michio Sata, Second Department of Medicine, Kurume University School of Medicine

Room 1 14:00-15:00 Presidential Lecture

Viral Hepatitis and Hepatocellular Carcinoma: the Trend of Basic Researches and Advances in the Therapy in the Last Three Decades

Chairperson: **Kenichi Kobayashi**, Gastroenterology, Kanazawa University Graduate School of Medical Science
Nobu Hattori, The Tokyo Metropolitan Institute of Medical Science

Room 1 15:00-17:30 Symposium 2

Genomic Analysis of Digestive Tract Disease and Approach to Carcinogenesis by Using Genomic Information

Chairpersons: **Masao Omata**, Department of Gastroenterology, Graduate School of Medicine, University of Tokyo
Kohzoh Imai, First Department of Internal Medicine, Sapporo Medical University School of Medicine Human Genome Analysis and Apply for Carcinogenesis

Room 2 9:00-12:00 Workshop 1

Indication of Antiviral Therapy for Chronic Hepatitis B

Chairpersons: **Takeshi Okanoue**, Third Department of Internal Medicine, Kyoto Prefectural University of Medicine
Hirimitsu Kumada, Department of Gastroenterology in Toranomon Hospital

Room 2 14:00-17:00 Symposium 3

Update of New Treatment for Patients with Chronic Hepatitis C Who Were Responded to Standard Anti-viral Therapy

Chairpersons: **Kendo Kiyosawa**, The Second Department of Internal Medicine, Shinshu University School of Medicine, Matsumoto
Norio Hayashi, Department of Molecular Therapeutics, Osaka

Room 3 9:00-10:30 Symposium 5

New Strategies for the Treatment of Liver Fibrosis

Chairperson: **Isao Okazaki**, Department of Community Health, Tokai University School of Medicine

Room 3 10:30-12:00 Symposium 6

Evidence-based Treatment of Chronic Liver Failure

Chairperson: **Hisataka Moriwaki**, Department of Internal Medicine, Gifu University School of Medicine

Room 3 14:00-17:30 Symposium 7

Local Therapy for Hepatocellular Carcinoma -Problems and Procedures for Solution

Chairpersons: **Chihiro Sekiya**, Sapporo Social Insurance General Hospital
Huminori Moriyasu, 4th Department of Internal Medicine, Tokyo Medical University

Room 4 9:00-11:30 Workshop 2

Long-term Prognosis of Patients with Portal Hypertension

Chairpersons: **Hiroyasu Makuuchi**, Department of Surgery, Tokai University School of Medicine
Hiroshi Fukui, Third Department of Internal Medicine, Nara Medical University

Room 4 15:00-17:30 Workshop 3

Up to Date of the Contrast-enhanced Ultrasonography in Gastroenterology and Hepatology

Chairpersons: **Osamu Matsui**, Department of Radiology, Kanazawa University Postgraduate School of Medical Science

Masatoshi Kudo, Department of Gastroenterology and Hepatology, Kinki University

Contrast-enhanced Ultrasonography in Gastroenterology: Present Status and Future Prospect

Masatoshi Kudo, Department of Gastroenterology and Hepatology, Kinki University

Room 5 9:00-11:00 Symposium 4

Alcohol Liver Injury: New Aspects of Clinical & Experimental Research

Chairperson: **Nobuhiro Sato**, Chairman, Department of Gastroenterology, Juntendo University School of Medicine

Overview

Hidekazu Tsukamoto, Research Center for Alcoholic Liver and Pancreatic Disease Keck School of Medicine, University of Southern California

Room 5 11:00-12:00 Special Session

Alcoholic Liver Disease Pathogenesis

Anna Mae Diehl, The Johns Hopkins University School of Medicine

Chairperson: **Hiromasa Ishii**, Department of Internal Medicine, School of Medicine, Keio University

Room 5 14:00-17:30 Panel Discussion 1

Current Status of Non-alcoholic Steatohepatitis (NASH) in Japan

Chairpersons: **Saburo Ohnishi**, First Department of Internal Medicine, Kochi Medical School
Hirohito Tsubouchi, Internal Medicine, Miyazaki Medical College

Nonalcoholic Steatohepatitis (NASH)

Anna Mae Diehl, Johns Hopkins University School of Medicine

Chairperson: **Saburo Ohnishi**, First Department of Internal Medicine, Kochi Medical School

Room 7 9:00-10:30 Workshop 4

Genomic Abnormality in Human Hepatocellular Carcinoma

Chairperson: **Yoshihiro Fukuda**, Department of Medicine and Clinical Science, Kyoto University Graduate School of Medicine

Room 7 10:30-12:00 Workshop 5

Role of Hepatic Sinusoidal Cells in Liver Diseases

Chairperson: **Yasushi Shiratori**, Department of Medicine and Medical Science, Okayama University Graduate School of Medicine

Room 7 14:00-15:30 Workshop 6

Application of Animal Models in the Management of Liver Diseases

Chairperson: **Morikazu Onji**, Third Department of Internal Medicine, Ehime University School of Medicine

Room 7 15:30-17:00 Workshop 7

Hepatocarcinogenesis in Hepatitis B Virus Infection

Chairperson: **Okio Hino**, Department of Experimental Pathology, Cancer Institute, Japanese Foundation for Cancer Research

Room 12 9:00-11:30 Panel Discussion 2

Translational Research for Regulation in Tumor Metastasis

Chairpersons: **Masaki Kitajima**, Department of Surgery, Keio University School of Medicine
Akio Yamaguchi, The First Department of Surgery, Fukui Medical University

Room 12 15:00-17:45 Panel Discussion 3

New Strategy for Cancer Treatment in the Field of Gastroenterology

Chairpersons: **Kentaro Sugano**, Division of Gastroenterology, Department of Internal Medicine, Jichi Medical School
Tsutomu Chiba, Department of Gastroenterology and Hepatology, Graduate School of Medicine, Kyoto University

October 25

Room 1 9:00-12:00 Symposium 8

The Pathogenicity of Helicobacter Pylori and the Clinical Significance

Chairpersons: **Ken Kimura**, Hiratsuka GE Hospital; Digestive Disease Research Institute (DDRI)
Akira Terano, Department of Gastroenterology, Dokkyo University School of
 Medicine

H. pylori and Gastric Cancer: Biological and Molecular Evidence from the Clinicians Viewpoint

Peter Malfertheiner, Otto-von-Guericke University Department of Gastroenterology,
 Hepatology and Infectious Diseases

Room 1 14:00-15:00 Special Session

Endoscopic Stenting for Pancreatic and Biliary Tract Diseases

Gregory G. Ginsberg, University of Pennsylvania School of Medicine, Gastroenterology Division
 Chairperson: **Rikiya Fujita**, Japanese Foundation for Cancer Research

Room 1 15:00-17:30 Symposium 9

Progress in Endoscopic Diagnosis and Treatment for Bilio-Pancreatic Malignancies

Chairpersons: **Seiyo Ikeda**, 1st Department of Surgery Fukuoka University School of Medicine
Naotaka Fujita, Department of Gastroenterology, Sendai City Medical Center

Room 2 9:00-10:00 Special Session

Takashi Sugimura, National Cancer Center Presidents Emerity
 Chairperson: **Kazumasa Miki**, First Department of Medicine, Toho University School of Medicine

Room 2 10:00-12:00 Symposium 10

Future Perspectives on Cancer Screening of Digestive Organs by Genetic Diagnosis

Chairpersons: **Mitsuo Itakura**, Genome Center, Tokushima University
Yutaka Kohgo, Third Department of Internal Medicine, Asahikawa Medical College

Room 2 14:00-16:30 Symposium 11

The Present and Future Aspects of the Reproductive Medicine in the Field of Gastroenterology

Chairpersons: **Koichi Tanaka**, Department of Transplantation and Immunology, Kyoto University
 Faculty of Medicine
Kiwamu Okita, Department of Gastroenterology & Hepatology, Yamaguchi
 University

Room 3 9:00-12:00 Panel Discussion 4

Living Donor-related Liver Transplantation for Adults

Chairpersons: **Kenji Fujiwara**, Third Department of Internal Medicine, Saitama Medical School
Masatoshi Makuuchi, Department of Surgery, University of Tokyo

Current Status of Liver Transplantation from Living Donor in USA

Charles M. Miller, The Recananti/Miller Transplantation Institute, The Mount Sinai Hospital
 Chairperson: **Satoru Tohdo**, First Department of Surgery, Hokkaido University, Graduate School of
 Medicine

Room 3 14:00-17:00 Panel Discussion 5

Autoimmune Liver Diseases: Concept and Diagnosis of Variant or Borderline Cases

Chairpersons: **Michio Imawari**, Omiya Medical Center, Jichi Medical School
Shin-ichi Kakumu, GI Unit, Aichi Medical University School of Medicine
Hiromi Ishibashi, Institute for Clinical Research, National Nagasaki Medical Center

Room 4 9:00-11:30 Workshop 8

New Techniques in Colonoscopy

Chairpersons: **Akihiro Munakata**, First Department of Internal Medicine, Hirosaki University School
 of Medicine
Kazuya Makiyama, The Department of Endoscopy, Nagasaki University School of
 Medicine

Room 4 14:00-15:00 Invited Lecture

GasBiology

Makoto Suematsu, Department of Biochemistry and Integrative Medical Biology,
School of Medicine, Keio University
Chairperson: Hiromasa Ishii, Department of Internal Medicine, School of Medicine, Keio
University

Room 4 15:00-17:30 Workshop 9

Indications and Methodology of Endoscopic Mucosal Resection for Colorectal Tumors

Chairpersons: Yoshihiro Sakai, Division of Digestive Endoscopy, Toho University Ohashi Hospital
Masaaki Miyaoka, Department of Gastroenterology, Hachioji Medical Center of Tokyo
Medical University

Room 5 9:00-10:30 Symposium 12

Hepatic Regeneration: Present and Future Prospect

Chairperson: Sumio Kawata, Second Department of Internal Medicine, Yamagata University
School of Medicine

Room 5 10:30-12:00 Symposium 13

Biology and Regulation of Hepatocyte Death

Chairperson: Hidetsugu Saito, Department of Internal Medicine, School of Medicine, Keio
University

Room 5 14:00-15:30 Symposium 14

Pathophysiological Changes of Visceral Organs in Liver Diseases

Chairperson: Soichiro Miura, Second Department of Internal Medicine, National Defense Medical
College

Room 5 15:30-17:00 Symposium 15

Present Status of Drug-induced Liver Injury and its Diagnostic Criteria

Chairperson: Hajime Takikawa, Department of Medicine, Teikyo University School of Medicine

Room 6 9:00-12:00 Symposium 16

Strategy for Mass Survey of Hepatocellular Carcinoma and Hepatitis in the 21st Century

Chairpersons: Yoshiki Ono, Health Planning Center, Nihon University School of Medicine
Chifumi Sato, Department of Analytical Health Science, Graduate School of Allied
Health Sciences, Tokyo Medical and Dental University

Room 6 14:00-15:00 Special Session

The Way Which the Gastroenterological Mass Surve should Go in 21th Century

Heizaburo Ichikawa, Emeritus Superintendent of National Cancer Center Hospital, Tokyo
Chairperson: Susumu Ito, Department of Digestive and Cardiovascular Medicine, Graduated
School of Medicine, Tokushima University

Room 6 15:00-17:30 Workshop 10

Tumor Markers for Gastrointestinal Cancer Screening -Conventional and New Generation Markers-

Chairpersons: Hiroshi Saito, Center for Education and Research of Lifelong Learning, Hirosaki
University
Yutaka Aoyagi, Division of Hepatobiliary Oncology, Department of Molecular
Genetics, Graduate School of Medical and Dental Sciences, Niigata University.

Room 7 9:00-10:30 Workshop 11

Recent Progress in Primary Biliary Cirrhosis

Chairperson: Yasuni Nakanuma, Department of Human Pathology, Kanazawa University Graduate
School of Medicine

Room 7 10:30-12:00 Workshop 12

Development of Chemotherapy for Advanced Hepatocellular Carcinoma

Chairperson: Shigeki Arai, Department of Molecular Surgery, Tokyo Medical and Dental University
Graduate School of Medicine and Dentistry

Room 7 14:00-15:30 Workshop 13**Ramivudine Therapy for Hepatitis B Virus Infection**

Chairperson: **Kazuaki Chayama**, First Department of Internal Medicine, Hiroshima University

Room 7 15:30-17:00 Workshop 14**Virology and Immunology in Hepatitis C Virus Infection**

Chairperson: **Kazuhiko Koike**, Department of Infectious Diseases, Internal Medicine, Graduate School of Medicine, University of Tokyo

Room 12 9:00-11:30 Workshop 15**New Strategy for Cancer Chemotherapy in Gastroenterology**

Chairpersons: **Mitsuo Kusano**, Department of Surgery
Norio Sawabu, Department of Internal Medicine and Medical Oncology

Room 12 14:00-16:30 Workshop 16**Approach to the Prevention of Hepatocellular Carcinoma**

Chairpersons: **Masamichi Kojiro**, Department of Pathology, Kurume University School of Medicine
Shuichi Kaneko, Gastroenterology, Kanazawa University Graduate School of Medical Science

Room 13 9:00-11:00 Workshop 17**Endoscopic Treatment for Complications of Chronic Pancreatitis – Indication, Results and Prognosis**

Chairpersons: **Kazuo Inui**, Department of Internal Medicine, Fujita Health University, Second Teaching Hospital
Taketo Yamaguchi, Department of Medicine and Clinical Oncology, Graduate School of Medicine, Chiba University

Room 13 14:00-16:30 Workshop 18**Clinical Features and Treatment of Acute Liver Failure with Etiologies Aside from Hepatitis Virus Infection**

Chairpersons: **Shujiro Takase**, Division of Gastroenterology, Department of Internal Medicine, Kanazawa Medical University
Satoshi Mochida, Third Department of Internal Medicine, Saitama Medical School

Room 14 9:00-11:30 Workshop 19**IVR for the Treatment of Biliary Malignancy**

Chairpersons: **Yutaka Atomi**, First Department of Surgery, Kyorin University Hospital
Yoshitsugu Kubota, Third Department of Internal Medicine, Kansai Medical University

Room 14 14:00-16:30 Symposium 17**Features of Slowly or Rapidly Growing Colorectal Cancers**

Chairpersons: **Hidenobu Watanabe**, Division of Molecular and Diagnostic Pathology, Department of Molecular Genetics, Course for Molecular and Cellular Medicine, Niigata University Graduate School of Medical and Dental Sciences
Toshiyuki Matsui, Department of Gastroenterology, Fukuoka University Chikushi Hospital

October 26

Room 1 10:00-11:00 Special Session

Clinical Application of Wireless Capsule Endoscopy in Gastrointestinal Diseases

Friedrich Hagenmüller, Allgemeines Krankenhaus Altona
Chairperson: Takashi Nakamura, Emeritus Professor of Teikyo University

Room 1 11:00-12:00 Chairman of JGES Address Lecture

The History of Japan Gastroenterological Endoscopy Society

Hirohumi Niwa, President of Japan Gastroenterological Endoscopy Society
Chairperson: Saburo Nakazawa, Chairman of Executive Board of DDW-Japan

Room 1 14:00-15:00 Special Session

Endoscopic Treatment for GERD

Christopher J. Gostout, Mayo Clinic
Chairperson: Hiroaki Suzuki, Department of Endoscopy, Jikei University School of Medicine

Room 1 15:00-17:30 Workshop 20

Indication and Outcome of Laparoscopic Treatment for the Digestive Disease

Chairpersons: Koichi Miwa, Gastroenterologic Surgery, Division of Cancer Medicine, Graduate School of Medicine Kanazawa University
Seigo Kitano, Department of Surgery I, Oita Medical University
Main discussor: Masahiko Watanabe, Department of Surgery School of Medicine, Keio University

Room 2 9:00-12:00 Symposium 18

Surveillance and Treatment of Local Recurrence after EMR for Early Stage Esophageal Cancer

Chairpersons: Misao Yoshida, Tokyo Metropolitan Komagome General Hospital Department of Surgery
Shingo Ishiguro, Department of Pathology, Osaka Medical Center for Cancer and Cardiovascular Diseases, Osaka, Japan

Room 2 15:00-17:30 Panel Discussion 6

Re-estimation of EVL for Esophageal Varices

Chairpersons: Katsutoshi Obara, Department of Internal Medicine II, Fukushima Medical University School of Medicine, Fukushima, Japan
Tomoharu Yoshida, Department of Gastroenterology & Hepatology, Yamaguchi University School of Medicine

Room 3 9:00-12:00 Panel Discussion 7

Is Magnifying Observation Indispensable to Colonoscopy?

Chairpersons: Shin-ei Kudo, Digestive Disease Center Showa Northern Yokohama Hospital, School of Medicine, Showa University
Shigeaki Yoshida, National Cancer Center Hospital East

Room 3 15:00-17:30 Workshop 21

Current Status and Feasibility of EUS-Guided Puncture Method -Indications and Practice-

Chairpersons: Yoko Murata, Institute of Gastroenterology Tokyo Women's Medical University
Norio Ueno, Third Department of Internal Medicine Yokohama City University School of Medicine

Room 4 9:00-11:30 Panel Discussion 8

Endoscopic Treatment for Benign Biliary Stricture

Chairpersons: Itaru Oi, Clinical Laboratory, Tokyo Women's Medical University Daini Hospital,
Toshio Tsuyuguchi, Department of Medicine and Clinical Oncology Graduate School of Medicine, Chiba University

Room 4 14:00-16:25 Panel Discussion 9

Expansion of EMR Indication for Gastrointestinal Cancers

Chairpersons: Masaharu Tatsuta, Osaka Medical Center for Cancer and Cardiovascular Diseases
Michio Tanaka, Department of Endoscopy, Department of Nursing, Toyama Medical & Pharmaceutical University

The Possibility of Extending the Indication of Endoscopic Mucosal Resection (EMR) Based on the Guideline of Gastric Cancer Treatment of JGCA

Masayoshi Mai, Department of Surgical Oncology, Cancer Research Institute, Kanazawa University

Room 5 9:00-11:00 Panel Discussion 10

Trace Elements in Digestive Disease

Chairpersons: **Yasuyuki Arakawa**, Third Department of Internal Medicine, Nihon University, School of Medicine
Yoji Takagi, School of Allied Health Science, Faculty of Medicine, Osaka University

Room 5 11:00-12:00 Invited Lecture

Effects of Enteral Nutrition on Mucosal Immunity

Kenneth A. Kudsk, Department of Surgery, University of Wisconsin-Madison
Chairperson: **Akira Okada**, Osaka Medical Center and Research Institute for Maternal and Child Health

Room 5 14:00-16:00 Panel Discussion 11

Basic and Clinical Studies on Bacterial Translocation

Chairpersons: **Tadao Bamba**, The Second Department of Medicine, Shiga University of Medical Science
Hidetaka Mochizuki, The First Department of Surgery, National Defense Medical College

Room 6 9:00-11:30 Panel Discussion 12

The Adequate Positive Rate of X-ray Examination for Gastric Mass Survey

Chairpersons: **Tadahiko Fuchigami**, Department of Gastroenterology, Matsuyama Red Cross Hospital
Masaharu Yoshihara, Health Service Center, Hiroshima University

Room 6 11:30-12:00 Report

Mitsuru Koga, Gastric Mass Survey Committee of Fukuoka Area
Chairperson: **Yasuyuki Arakawa**, Third Department of Medicine, Nihon University, School of Medicine

Room 6 14:00-15:00 Presidential Lecture

Past, Present and Future of the Gastroenterological Mass Survey

Susumu Ito, Department of Digestive and Cardiovascular Medicine, Graduated School of Medicine, Tokushima University
Chairperson: **Shigeru Hisamichi**, President of Japanese Society of Gastroenterological Mass Survey

Room 6 15:00-17:00 Workshop 22

Concerning About the New Standard Method of Indirect and Direct X-ray Photofluorogastrography

Chairpersons: **Yasunobu Sagara**, Tokushima Health Screening Center
Kiyoko Imamura, Cancer Detection Center, Yokohama City Hospital

Room 7 9:00-12:00 Workshop 23

A Role of Colonoscopic Examination in Mass Screening for Colorectal Cancer

Chairperson: **Nobuo Hiwatashi**, Iwaki Kyoritsu General Hospital
Tooru Mitsushima, Kameda General Hospital, Division of Gastroenterology

Room 7 14:00-17:00 Panel Discussion 13

The problems on Gastroenterological Mass Survey for Advanced Ages

Chairpersons: **Takashi Torisu**, Department of Gastroenterology, Kagawa Prefectural Cancer Detection Center
Ken Kusano, Vice Director of JA Kagoshima Kohseiren Medical Health Care Center

Room 8 9:00-12:00 DDW Japan Medical Training Course Symposium 1

The Present and Future Aspects of Personal Computer System in the Medical Services

Chairpersons: **Hironaka Kawasaki**, San-in Rosai Hospital Labour Welfare Corporation
Michio Tanaka, Department of Endoscopy, Department of Nursing, Toyama Medical & Pharmaceutical University

Standardization on Medical Information

Hiroshi Kondoh, Division of Medical Informatics, Tottori University Hospital

Use of Medical Treatment of Personal Computer in Attestation Network

Masashi Negishi, Department of Medical Informatics, The Jikei University

Usefulness of Electronic Medical Record System

Shujiro Takase, Division of Gastroenterology, Department of Internal Medicine, Kanazawa Medical University

Mikihiko Tsutsumi, Division of Gastroenterology, Department of Internal Medicine, Kanazawa Medical University

IT Revolution for Customer-Oriented Medical Services

Motoichi Setoyama, Kochi Health Sciences Center

Is a Personal Computer System in the Medical Service Roses and Wine?

Michio Tanaka, Department of Endoscopy, Department of Nursing, Toyama Medical and Pharmaceutical University

Ryuichi Hayashi, Department of Medical Informatics, Toyama Medical and Pharmaceutical University

Room 8 14:00-16:30 DDW Japan Medical Training Course Symposium 2

Disclosure and Protection of Personal Information in the Medical Services

Chairpersons: Hironaka Kawasaki, San-in Rosai Hospital Labour Welfare Corporation
Shigeru Harasawa, Kawaguchi General Hospital

Transparency and Accountability in Health Care

Toshihiko Hasegawa, National Institute of Public Health

Disclosure of the Medical Information with the Clinical Path Approach

Hironobu Suko, Saiseikai Kumamoto Hospital

Nursing Practice and Disclosure of Nursing Documentation

Shimamori Yoshiko, Kyoto University Hospital

Confidentiality in Population-based Cancer Registration

Akira Oshima, Osaka Medical Center for Cancer and Cardiovascular Diseases

Release of Information Related to Medical Quality Management

Kazue Nakajima, Department of Social and Environmental Medicine, Osaka University Graduate School of Medicine

Legal Problems Related to Disclosure and Protection of Medical Records

Toshiharu Furukawa, Department of Surgery, School of Medicine, Keio University

Room 9 15:00-17:30 DDW Japan 10th Commemorative Internatinal Symposium

Chairpersons: Saburo Nakazawa, Chairman of Executive Board, Organization of DDW-Japan
Kentaro Sugano, Division of Department of Internal Medicine, Jichi Medical School

Kyuichi Tanikawa, Former Director General of Japan Society of Hepatology

Hirohumi Niwa, President of Japan Gastroenterological Endoscopy Society

Kenji Fujiwara, President of the Japanese Society of Gastroenterology

Shu-Dong Xiao, President Chinese Society of Gastroenterology

Detlef Schuppan, Vice Director, Department of Medicine I, University of Erlangen-Nuernberg School of Medicine

Eugene B. Chang, Martin Boyer Professor of Medicine University of Chicago

Room 12 9:00-11:30 Panel Discussion 14**The Onset and Progress of Chronic Pancreatitis**

Chairpersons: **Seiki Matsuno**, Department of Surgery, Tohoku University School of Medicine
Kei Kashima, Kyoto City Hospital

Room 12 14:00-16:30 Workshop 24**Recent Advance in Treatment of Pancreas Cancer**

Chairpersons: **Tetsuo Hayakawa**, Meijo Hospital
Kazuhiro Tsukada, The Department of Surgery II, Toyama Medical & Pharmaceutical University

Room 13 9:00-11:30 Workshop 25**New Endoscopic Approaches to Diagnosis of the Pathophysiological Status of H.pylori-infected Mucosa**

Chairpersons: **Nobuhiro Sakaki**, Department of Internal Medicine, Tokyo Metropolitan Komagome Hospital
Yoshihiro Fukuda, Gastroenterology, Hyogo College of Medicine

Room 13 14:00-17:00 Symposium 19**Causes and Pathogenesis of Reflux Esophagitis**

Chairpersons: **Makoto Itoh**, Internal Medicine and Bioregulation
Toshikazu Yoshikawa, First Department of Medicine, Kyoto Prefectural University of Medicine

Room 14 9:00-12:00 Workshop 26**Pathophysiology and Management of Functional Gastrointestinal Disorders**

Chairpersons: **Mitsugi Sugiyama**, Critical Care and Emergency Center, Yokohama City University School of Medicine
Kei Matsueda, National Center of Neurology and Psychiatry, Kohnodai Hospital Division of Gastroenterology

Room 14 14:00-17:00 Panel Discussion 15**Diagnosis of Early Colorectal Cancer: Current Trend and Future Perspective**

Chairpersons: **Mitsuo Iida**, Department of Medicine and Clinical Science, Graduate School of Medical Sciences, Kyushu University
Yutaka Imai, Department of Radiology, Tokai University

October 27**Room 1 9:00-12:00 Symposium 20****Intestinal Cancer in Inflammatory Bowel Disease and the Significance of Endoscopic Surveillance**

Chairpersons: Toshifumi Hibi, Department of Internal Medicine, School of Medicine Keio University
Yoichi Ajioka, Graduate School of Medical and Dental Sciences, Division of Molecular and Functional Pathology

Room 2 9:00-12:20 Educational Lecture**Endoscopic Hemostasis for Gastrointestinal Bleeding**

Koichiro Kumai, Center for Diagnostic and Therapeutic Endoscopy, Keio University School of Medicine
Chairperson: Atsushi Toyonaga

Diagnosis and Treatment of Helicobacter Pylori Infection

Tsutomu Chiba, Department of Gastroenterology and Hepatology, Graduate School of Medicine, Kyoto University
Chairperson: Akira Terano, Department of Gastroenterology, Dokkyo University School of Medicine

Safety Colonoscopy for Colorectal Mass Screening

Masahiro Tada, Tuda Gastroenterological Clinic
Chairperson: Eizo Kaneko, Hamamatsu University School of Medicine

New Trend of Treatment for Chronic Hepatitis B and C

Hiromitsu Kumada, Department of Gastroenterology, Toranomon Hospital
Chairperson: Kendo Kiyosawa, The Second Department of Internal Medicine, Shinshu University School of Medicine

Recent Advance in Treatment of HCC

Masao Omata, University of Tokyo Department of Gastroenterology
Chairperson: Takahiro Sakai, Japanese Red Cross Musashino Junior College of Nursing

Room 2 14:00-16:40 Educational Lecture**Updated Topics of the Diagnosis of Pancreatic Cancer**

Masao Tanaka, Department of Surgery and Oncology, Graduate School of Medical Sciences, Kyushu University
Chairperson: Michio Ogawa, Department of Surgery II, Kumamoto University Medical School

Extracorporeal Shock Wave Lithotripsy (ESWL) of Pancreatic Duct Stones

Hirotaaka Ohara, The First Department of Internal Medicine, Nagoya City University Medical School
Chairperson: Yutaka Atomi, First Department of Surgery, Kyorin University Hospital

Dietary Reference Intakes in Japan

Norimasa Hosoya, Japan Health Food & Nutrition Food Association
Chairperson: Akira Okada, Osaka Medical Center and Research Institute for Maternal and Child Health

Home Nutritional Therapy in Japan - Present and Future -

Yoji Takagi, School of Allied Health Sciences, Faculty of Medicine, Osaka University
Chairperson: Koshiro Hioki, Kansai Medical University

Room 3 9:00-11:20 Workshop 27**Clinical and Pathological Condition of Short Segment Barrett' s Epithelium**

Chairpersons: Tadakazu Shimoda, Pathology, Clinical Laboratory Division, National Cancer Center Hospital, Tokyo
Teruo Kouzu, Department of Endoscopic Diagnostics & Therapeutics, Chiba University

Room 3 11:20-12:00 Presidential Lecture**The Progress and Perspective of Peroral Bilio-pancreatography**

Hiromitsu Saisho, Department of Medicine and Clinical Oncology, Graduated School of Medicine, Chiba University
Chairperson: Tatsuo Yamakawa, Emeritus Professor of Teikyo University

Room 4 9:00-9:40 Invited Lecture**Recent Progress in Endoscopic Treatment of Gastrointestinal Bleeding**

S.C.Sydney.Chung, Dean, Faculty of Medicine, Professor of Surgery, Director, Endoscopy Center,
The Chinese University of Hong Kong, Prince of Wales Hospital Shatin
Chairperson: Tetsuya Mine, Department of Endoscopy, Tokai University

Room 4 9:40-12:00 Panel Discussion 16**Therapeutic Strategy for Fundic Gastric Varices; Endoscopic Treatment or B-RT0?**

Chairpersons: Shigehiro Kokubu, Department of Gastroenterological Internal Medicine,
Kitasato University School of Medicine
Shoichi Matsutani, Department of Medicine and Clinical Oncology, Graduate
School of Medicine, Chiba University

Room 5 9:00-11:00 Symposium 21**Advanced Therapy for Gastro-Intestinal Disease with Malabsorption**

Chairpersons: Takashi Shimoyama, Department of Gastroenterology, Hyogo College of Medicine
Masafumi Wasa, Department of Pediatric Surgery, Osaka University Graduate School
of Medicine

Room 5 11:00-12:00 Special Session**Effects of Polyphenol on Gastrointestinal Function**

Ariyoshi Iwasaki, Third Department of Internal Medicine, Nihon University, School of Medicine
Chairperson: Kaizo Ariga, Professor Emeritus, Nihon University
